PRESS RELEASE

GTS Distribution and DV Games

DV Games is happy to announce their non-exclusive distribution agreement with GTS Distribution.

Thanks to the high-quality service of this experienced partner, this new distribution deal will strengthen the presence of DV Games brand products in the US Hobby Market.

The most popular DV Games titles, such as *BANG!* and the *BANG!* game line and the *Deckscape* and *Decktective* game series, will be available through GTS Distribution with highly-anticipated new releases such as *Bonsai* and *BANG! Dynamite Box* to come in the next few months.

About GTS Distribution

GTS Distribution is a leading wholesale distributor of a wide range of products since 1976: gaming, toys, sports, and entertainment collectibles. GTS Distribution's mission is to provide retail stores with a vast, cutting-edge product selection, competitive pricing, and the best customer service available.

About DV Games

DV Games, also known as dV Giochi, is the oldest continually operating Italian board game publisher in the hobby market, established in 2001 in Perugia. DV Games has a wide network of international partners, and its games, with the DV Games brand, are distributed worldwide. The mission of the company is to make board games the favorite pastime for people all around the world. In 2021, DV Games acquired Ghenos Games, a board game publisher and distributor based in Milan, strengthening its presence in the Italian and global board game market, with over 300 titles in the merged catalogue.
